About the Scholarship

The National Foster Parent Association Scholarship Fund was established to benefit foster, adoptive and birth children of foster parent members. One scholarship each year is designated the

Gordon Evans Scholarship in memory of a man who gave so much of himself to NFPA and the many children he fostered, as well as the untold numbers of people whose lives he affected.

Five \$1000 scholarships are awarded annually. Three scholarships are awarded to foster children, and two scholarships are awarded to birth or adoptive children of foster parent members.
